

AUDIO WORKSHEET

1

Brainstorm about your Topic

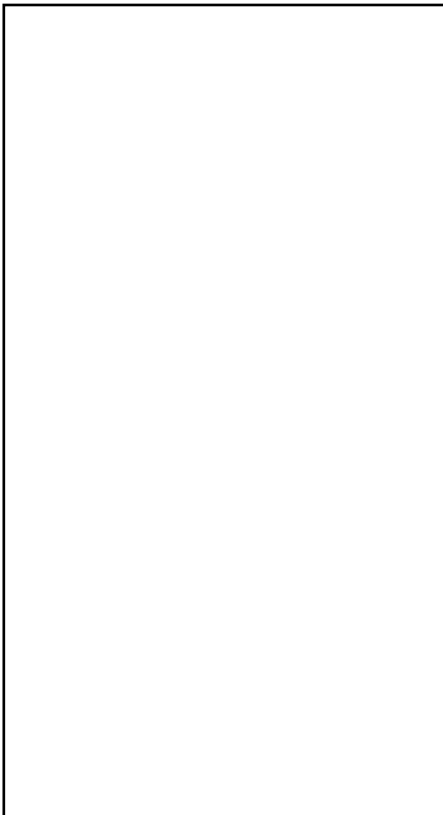

What is the research question that you are trying to answer?

2

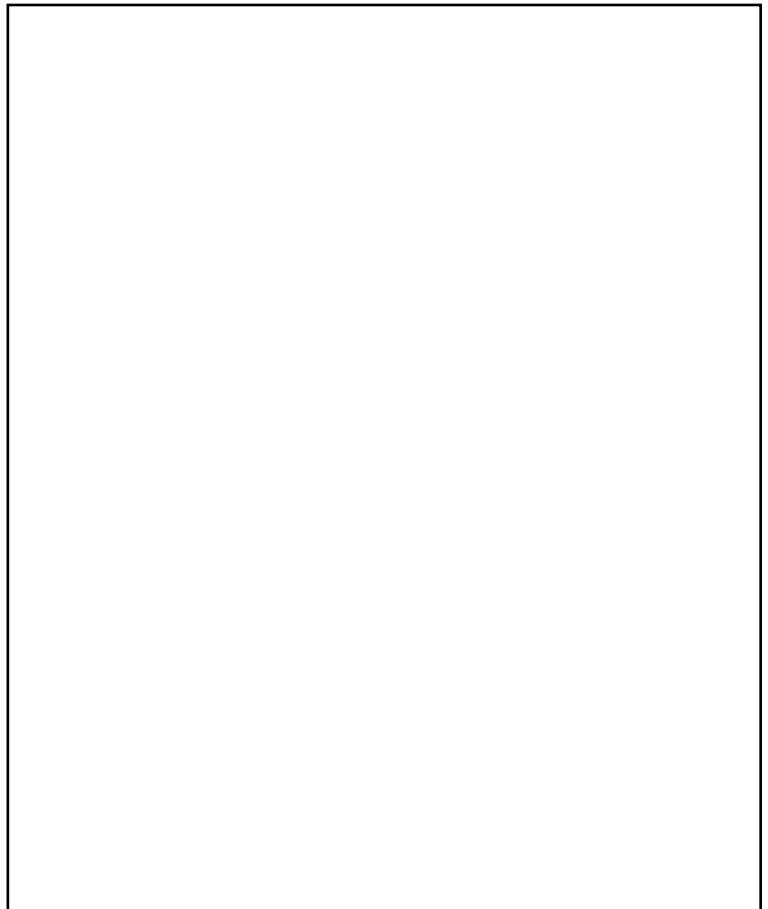

Storyboard and Drafting

Decide how you want to organize your information (i.e. script and interviews)

Interviews and other components

Outline of Podcast

AUDIO WORKSHEET

3

Nuts and Bolts

Decide on key features of your podcast and list them below (ie. narrator, music, etc.)

4

What do you need?

List the equipment, individuals you may need to contact, and other supplies you may need. (i.e. Educational Technology, Library, cameras, microphones, software for editing etc.)

5

Sharing it Out

Be sure to save your project in multiple locations. Your instructor will list below for you where they would like you to share your project for assessment.
